Mailstop Petition  
Commissioner for Patents  
PO Box 1450  
Alexandria, Va. 22313

Mr. Green:

This letter is to request reconsideration of a petition to make special on the basis of age.

My daughter, Angela Bradbery, submitted a petition on March 8 on my behalf. She enclosed documentation of my age. However, because she is not the applicant or the registered agent, the petition was dismissed. I am refiling the petition on behalf of myself, the applicant.

I filed an application for a patent in July 2003 (#10/604,222). The application still has not been considered by an examiner.

I am 81 years old (see documentation on record, a Florida state ID card). Because of my age, I request that you expedite the examination process.

If you have any questions, please call me at 954-575-1827.

Sincerely,

  
Eric J. Bradbery
